Rayner Shield Champions

The Rayner Shield was presented to the Glyndwr Bowling Association at the start of the 1989 season by Mr Ronald Rayner of the Rhos on Sea Bowling Club. The Rayner Shield is now played by those clubs who have lost in either the first or second rounds. This year there were 15 entries from the original Binns Cup entries including previous winners Colwyn Bay RBL The competition is always played on the Second Sunday in September normally at Rhos on Sea BC unless they reach the final which they have done on a number of occasions.

Both teams today are previous winners of the Shield, Llysfaen twice and Rhuddlan in 2000 and Rhuddlan were runners last year.

On September 25th the Welsh Club Championship will be held in the Wrexham Area, Hopefully St Asaph winners of the Binns Cup will go one better this year than when they previously represented Glyndwr and were runners-up. The venue for this is not yet known but Bl Ffestiniog, Bailey Hill and Esclusham are the other teams competing
