Press Officer's Report 2019

This is my final report as your Press Officer. It has been a privilege to serve the Association and its members in this capacity for the last three years.

Although 2019 has not been as spectacular as last season for Welsh bowls at British level, we still have much to celebrate.

Our County teams, Juniors, Seniors, Ladies and Vets grow stronger and more focused with each match and their performances have been reported to the WCGBA website, Facebook page and local Press agencies.

Crown Green bowls in Wales now features prominently on the Bowls Wales website, raising the profile of the game along with the other bowls codes.

Each of the Individual County Merits was covered in detail on the website and in the Press. Those not on social media have appreciated being fully informed of these important events in our calendar. It has been delightful to follow our President and his Deputy as they have supported our teams and competitions throughout a busy season.

The player/official Profiles have become a popular feature and, once again, I must thank those who took part. Our enjoyment of the sport in Wales is richer for them.

It only remains for me to thank everyone who has given me support and encouragement over the past three seasons. A special 'thank you' to our Chairman, Officials and Board Members, especially my Techno Wizard, Office Boy and Husband, Peter. I shall continue to support the Association in any way I can and look forward to 2020.
