Rayner Shield Champions

The Rayner Shield was presented to the Glyndwr Bowling Association at the start of the 1989 season by Mr Ronald Rayner of the Rhos on Sea Bowling Club. The Rayner Shield is now played by those clubs who have lost in either the first or second rounds. This year there were 14 entries from the original Binns Cup entries including previous winners Denbigh "A". The competition is always played on the Second Sunday in September normally, at Rhos on Sea BC unless they reach the final which they have done on a number of occasions. Unfortunately as many other leagues hold there ment and presidents days on various Sundays in September now clashes do occur, however as an Area Cup this takes precedent over any other competitions

Both teams are previous winners of the Shield on just one occasion and Rhuddlan have been numers up once.

On September 25^{th} the Welsh Club Championship will be held on this green, so please come along and support Colwyn Bay RBL in their efforts to win. Start $11.00\,\mathrm{am}$
